

DEADLY DUST

is a heavy rock band hailing from the Nantes scene, renowned for its raw energy and electrifying stage performances. Drawing on the golden age of hard rock while injecting a modern and massive production, the band has established itself as a rising star on the French rock scene.

Their sound is a powerful blend of razor-sharp guitar riffs, a metronomic rhythm section, and charismatic lead vocals, capable of navigating between catchy melodies and sheer power.

Wait is over. Their debut album, '**Alright**', is ready to take the world by storm. Official release on June 12th.
